Mosun and Club M have been reinterpreting sushi and entertainment since 2000. Through an innovative concept of dining and entertainment, Mosun and Club M have become an Orange County landmark attracting the finest local clientele, as well as hosting some of the most prestigious parties in Orange County.

Located on Pacific Coast Highway in the heart of beautiful Laguna Beach, Mosun and Club M offer something for everyone. The comfortable OC surfer attitude and casual but hip atmosphere attract celebrities, locals and tourists alike to what is coveted as Orange County's hottest restaurant, nightclub and lounge. With hardwood floors, red ambient lighting and Zen elements, Mosun and Club M blend great food, music and people watching to create the hippest vibe in town.

Mosun – The Ultimate Sushi Experience
 Mosun offers a dramatic full-sized sushi bar. Master sushi chefs slice, dice and roll top

quality and inventive sushi, sashimi and specialty rolls, creating the ultimate sushi experience. In addition to the unparalleled sushi, there is an entire menu of Pan Asian dishes to satisfy any taste. Zagat-rated for its award-winning cuisine and specialty cocktails, the food is an electric mix of Asian fusion flavors with a modern flair. You will find only fresh, clean, pure healthy foods that make Mosun a trendy, high-energy haven for sushi lovers and non-sushi lovers alike. Mosun also offers one of the largest sake selections in the country and specialty cocktails you won't find anywhere else.

Club M – Luxurious Nightclub with a Funky Vibe

Located upstairs, Club M nightclub offers state-of-the-art sound and lighting with multimedia capabilities. Luxurious with a funky vibe, a 20-foot red granite bar stands poised in the center of the room. Surrounding the bar and large dance floor are upper level VIP areas with dark, wooden floors, plush velvet booths and privacy curtains, and stunning and eclectic chandeliers positioned around the room. The focal point of the room is a LED-lit beaded wall and a red-illuminated DJ booth.
