Clubhouse Expansion Benefits Guests

Tustin Ranch Golf Club, known for public play with a private feel, is showing the world that when special events meet golf, the results have a “wow” factor.

“That’s what people say when they see Tustin Ranch Golf Club’s new banquet and conference facility, ‘Wow, I didn’t realize what a great event I can host at your golf course!’” said Steve Plummer, general manager of Tustin Ranch Golf Club. “We can plan a package that successfully pairs business with a great round of golf. Or just the event itself, where guests enjoy our ‘private club quality’ service. With the new size of our Clubhouse that includes four meeting rooms and a dedicated **Player’s Lounge**, we have the venue that has our guests saying, ‘Wow!’”

Every event is surrounded with stately palms, cascading fountains and rolling, manicured fairways. The Clubhouse’s main reception rooms present magnificent vistas of sparkling lakes and fountains. Your guests will relax in the luxury of attentive service and grand cuisine.

Tustin Ranch Golf Club can provide complete event planning, catering and other services so guests can relax and enjoy themselves. The event specialists at Tustin Ranch do it all, from menu planning to decorating to setting tee times.

“We help our clients to make each event as unique and memorable as possible, and we can tailor packages to meet a variety of needs and budgets. Whether it is a wedding reception, a corporate event, a holiday party, an after-golf tournament awards banquet, a business seminar, birthday bash or fundraiser dinner/dance, our staff will make it memorable,” added Plummer.

Tustin Ranch Golf Club’s goals are to provide any size banquet, meeting or wedding reception with all the privacy that an event needs, while still being able to meet golfers’ après-golf needs. The Clubhouse now spans over 21,000 total square feet. With the kitchen expansion, four banquet rooms and new **Player’s Lounge**, Tustin Ranch is now able to consistently serve golfers and their guests cool drinks and delicious food after a round of golf even if other banquets or events are in progress.

Tustin Ranch Golf Club is unique to Orange County. It is a championship 18-hole, Ted Robinson-designed course that offers a private caddie service. Experience breathtaking scenery, sparkling lakes and cascading falls at this facility where readers of the *OC Register* voted Tustin Ranch the No. 1 golf course in Orange County for 2007-2008. In addition, *Golf Digest Magazine* recently awarded Tustin Ranch its prestigious “4-Star” rating in its annual “Places To Play.” Included on the grounds are a full-service clubhouse, **Player’s Lounge**, restaurant, multiple wedding and banquet facilities, pro shop, driving range, golf school, tournament services and more.
